

WHY ASPTEA?

The Administrative, Supervisory, Professional & Technical Employees Association was founded in 1975 under City of Phoenix Ordinance G-1536. We are recognized by the City as the authorized representatives for all Unit 7 employees as it relates to wages, benefits and working conditions. We represent the largest single group of City employees with over 3,000 professionals in nearly all departments.

Our primary program functions include wage & benefit negotiations, grievance handling and representation in matters involving discipline. We also represent the interests of our unit on a variety of issues such as health care, policy changes, classification & compensation issues and labor/ management partnerships.

"Member Only" benefits include our ASPTEA Legal Plan, Educational Awards and much more!
